County Commissioner

Blaine Hoffmann

Oil Industry (retired)

Bill Schaller

North Dakota Game & Fish
Department (retired)

Vicky Steiner

Legislator

Gene Veeder

Rancher

The Badlands Advisory Group was formed in August 2016 after Covenant Consulting Group (CCG) released a stakeholder assessment detailing the opinion and perceptions of western North Dakotans on oil development in the Badlands.

Goals of the BDWLP

- Increase grazing lands quantity and quality
- Provide support to enhance grazing systems
- Create wildlife habitat through establishment of new cover and enhancement of existing cover
- Enhance outdoor recreation opportunities
- Reclamation of previously disturbed sites
- Urban and nature interpretive sites

Landscape Restoration and Grazing System

- Prescribed grazing strategies
- Installation of range infrastructure
- Implementation of restoration activities

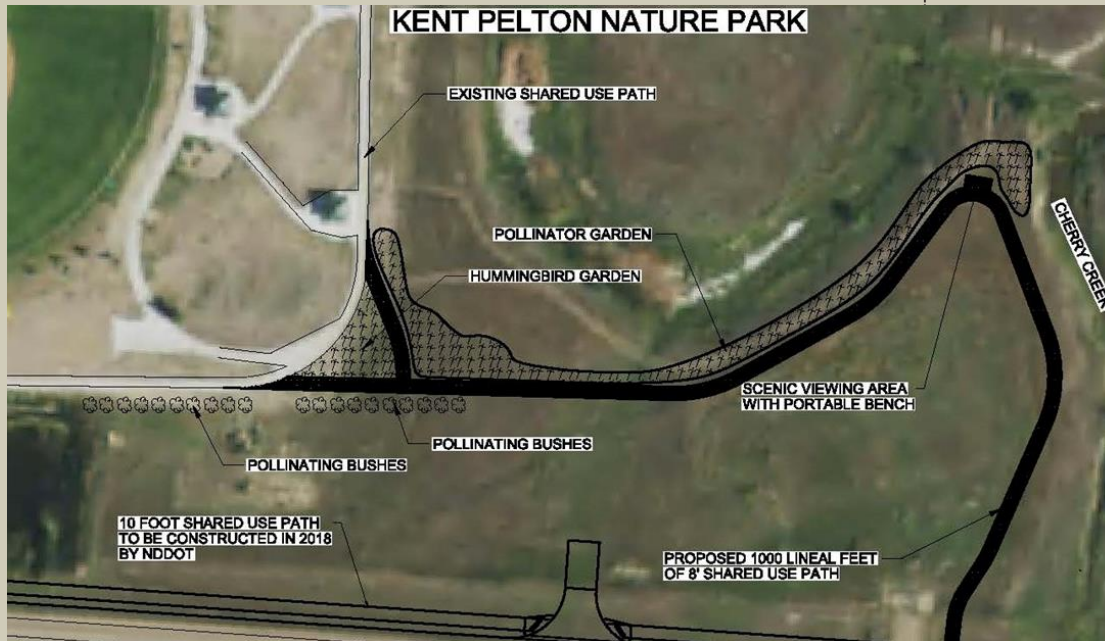

Landscape Reclamation

Reclaim Well Sites and Implement
Grazing Systems

Outdoor Learning and Recreation

- Pollinator plots
- Hummingbird garden
- Native grass & forb mix
- Trail construction

Leadership

Outdoor Heritage Fund Applicants

Dunn County Soil
Conservation
